Josh Altman has been heavily involved in all aspects of the real estate business, from flipping houses to real estate financing and selling real estates. Josh and his brother **Matt Altman** created the real estate brokerage firm “**The Altman Brothers**” that provides both buyers and sellers with their exclusive VIP treatment. Josh’s well-rounded experience in all areas of the industry gave him the advantage to be a one-stop-shop for buyers and sellers. With his personable and professional character, coupled with his knowledge and expertise, it allows Josh to build and maintain solid relationships which helped him become top agents in one of the most lucrative and competitive markets in the world.
